

Work Report Summary

Date Submitted: 29th May, 2019

Name: Simran Malhotra

Subsystem: Coding

Summer Project 2019:

Work allotted:

Week 2 and 3 of Andrew Ng Course and its implementation in python

Progress:

- Week 2 completed but still working on the implementation part. I am doing a course to get thorough with sci-kit learn, pandas and Matplotlib which is consuming a lot of time.
